

92 years old

My father is 92 years old.

He is health and can do everything by himself.

And his hobby is Pachinko.

He goes to pinball hall by bicycle.

I took him ancestor's tomb to play on 13th July.

I told him "Where do you want me to settle your tomb?"

He replied

"I don't want my tomb because my sisters, brothers and my friends were dead."

"Grand children cannot treat my tomb perhaps."

"No one know whose tomb this is."

Some decades year ago, he wanted me to settle small tomb.

92 years makes his mind change.

92歳

私の父親は92歳です

元気で自分のことはすべてできる

元気で、自転車でパチンコ屋へ行く

7月13日に墓参りに連れて行った

「どこに墓をつくろうか」と父に話した

父は答えた

「墓はいらん 兄弟姉妹や友人はみんな死んだ」

「孫はわしの墓を扱うのは大変だろう」

「誰の墓なのか、誰も知らなくなる」

2～3十年前、小さな墓を希望していた

92歳ともなると心境の変化があるのだろうか
