

Bullying

Today, there are many topics in school.

One of them is “Bullying”.

I hear, there was bullying in society, or school.

I or many do not like bullying, and admit it.

I want all students and pupils to be happy at school.

Now, there is one law.

The name is “Bullying Prevention Promotion Act”

The Article 5 shows “Children, etc. Do not go bullying.”

It is very simple and clearly.

I think that adult had better showing this law to the students and pupils.

The law does not admit bullying and shows “Children, etc. Do not go bullying”.

Students and pupils, Let’s have good and happy time with friend at school !

“Stop Bullying, Your tear is our tear”

This is slogan that is made by student.
