

Formal address

Many graduate ceremonies have hold on March.
The principal talks formal address to graduate students.
All formal address that I have ever heard were very nice.
But they were very long compared with normal speech.
And who take part in ceremony feel cold because it is early March.
Some students request me.
“Principal, we want you to shorten formal address.”
I agreed this.
The last year’s speech was 1260 words 4 minute 45 seconds.
I try shorting about hale or two thirds.
I wonder what will happen.

式辞

3月に多くの卒業式が行われる、
校長が卒業生に式辞を話す。
良い内容の式辞ばかりである。
しかし、他の挨拶に比べ長い。
そして、3月のため参加者は寒い。
生徒が希望を伝えに来た。
「校長先生、式辞を短くしてください」
私も同感だ。
昨年の式辞は1 2 6 0字で4分4 5かかった。
今年は半分か2／3の長さにしてみたい。
さあ、どうなるか？
