

## If school master

This winter, we have heavy snow.

When I was child, we had more snow.

Though I am imprudent, I don't worry about this level's snow.

But there is some problem in school.

That is "NO SCHOOL" because of heavy snow.

The decision of "NO SCHOOL" belongs to school master

The school master and BOE don't want to decide "NO SCHOOL" because of keeping school days.

So the school masters don't decide "NO SCHOOL".

But parents of students and pupils worry about safety about going to the school.

The parents claim to the school and BOE, "Today why the school is open in spite of heavy snow.

Let's decide "ON SCHEDULE" or "NO SCHOOL".

I think that gather the various information about the snow and safety.

So if there is danger, you decide "NO SCHOOL" quickly and make the plan about reviving school days.

The most important things is safety about students and pupils.
