

Who talk about education

Many people talk about education.

The more important person talks one.

When one was worker or businessman, he was interested in education.

But he was elected, he insists on the importance of education.

And their thought is high ideal and difficult.

The education is easy activities?

I don't think so.

It's too difficult one.

Tomorrow is the graduation ceremony.

Many teacher's effort makes good ceremony.

Education needs many enthusiasms.

教育について語る人

多くの人が教育について語る

よりえらい人が教育を語る

労働者やビジネスマンだったときは語らない。

しかし、選挙に当選すると教育に言及する。

そして、彼の考えは理想が高く難しい。

教育はそんなに簡単なことなのか？

私はそう思わない。

とても難しいことだ。

明日は卒業式。

多くの先生方の努力が式をつくりあげる。

教育は多くの熱意が必要である。
