

Why don't you say !

Today there are bad accidents in the society.

Adults behave badly.

For example, politician or officer practice corruption, famous person say “ Hate Speech ” .

Don't forget the children see the adult's behavior and about the news.

As you know , since 2018, the “moral education” becomes official subject at elementary school.

Pupils STUDY “moral education” with use the text book, and teacher estimates pupils about the “moral education”.

But when adults behave badly, nobody say “Adults must not do bad, because children see that and pupils study “moral education” !

Why don't you say “ children see it ! ”

English is same.

The 3 and 4 grade pupils study foreign language activity, since 2018.

Adults must use foreign language, for example ENGLISH.

Adults must not let you make only a children!
