

Kids club

I have been town chairman for 2 years.

The work is end at this March.

One of my town chairman's work is reopening of barbecue party.

Our neighborhood association had barbecue party for long time.

My daughter and son took part in it and they played with inhabitants.

My family felt very happy.

But some years ago, this party had stopped.

But there are 6 elementary school students in this neighborhood association now.

I made the system that kids club sponsored barbecue party.

Because I wanted to make the chance that children communicate with inhabitants.

3 children graduate elementary school and will enter junior high school.

But, in my pleasure, our neighborhood association welcomed new family.

This family has two daughters.

So Kids club of neighborhood association will continue.

I am going to be officer of kids club since next April.

I keep holding barbecue party for child and inhabitants.

2年間、町会長をした。3月末で終わる。

町会長になって、子供会主催としてバーベキュー大会を復活した。

長い間、バーベキュー大会が町会で行われていた。

自分の子供が小さかった頃、町会の人にかわいがってもらった。

しかし、そのバーベキュー大会が無くなった。

そこで、子供会が主催するバーベキュー大会をつくった。

子供が地域住民と関わる機会をつくるためだ。

我が町会、小6が3人中学校へ進学するが、小さな子供がいる世帯が転入し、子供会は今後も継続する。

4月からは、子供会担当として、バーベキュー大会を継続したい。
