

Raising child

I wrote fan letter to writer who writes an essay about raising children.

Dear Writer

My name is Shima Koji living in Kanazawa-city Ishikawa pref.

I am 55 years old and work at Ishikawa pref. board of education.

I read Mainichi weekly for 20 years.

I am looking forward to reading your essay every month because of your two cute daughters' growth.

I have a daughter 25 year old, a son 22 years old and wife.

Last week we have my daughter's wedding.

She married with boy-friend since junior high school.

He lives near our house and we know his family well.

So I and my wife feel so happy rather than sad.

I think that you are so busy because of raising children.

But time passes so fast.

Please have fun now when you raise children, it is best time on your life!

Do your best!

子育て

子育てのエッセイを書いている作家（英国人）にファンレターを書きました。

私こと、娘が嫁に行きました。

あっという間に時が進みました。

作家さんは母親で、東京でお嬢さんを育てている最中。

忙しいと思うが、一番幸せなとき。今を楽しんでください。
