

# Renewal

Summer vacation has half passed.

We have about 2 weeks until start.

What must teachers do until end of vacation?

I think that is “RENEWAL”.

What is renewal?

That is environments.

Most important is placard.

It has passed more than 2 months, so contents have been old.

High temperature and strong sun light make placard damage.

So teachers must renew contents.

For example study contents of 1<sup>st</sup>-term and 2<sup>nd</sup>-term, school plan of 2<sup>nd</sup>-term, aim of 2<sup>nd</sup>-term, etc.

This activity makes teachers prepare of new term, students surprise and motivate.

Now first of all, open window, clean up classroom.

Let's make comfortable environments!
